## Welcome,

to our church.

We are an open and friendly church open to all.

If you are here for the first time, please let yourself be known to someone.

**Reading 1 :- 1 Corinthians 2 v 1-12** on pages 206/207 in the New Testament.

Paul confesses to his brothers that when came to them he “trembled with fear.”, but he relied on God’s power to carry him through.

**Reading 2 :- Matthew 5 v 13-20** on page 7 also in the New Testament.

In this reading, our good works must shine light on the world. “Salt and Light.”

## Paul's Thoughts

- We take nothing with us to our redemption
- Good works result from having been gifted with salvation
- "By grace you have been saved through faith"

### Humorous Statements.

Archaeologist;

A man whose career lays in ruins!

There is nothing safer than flying,  
it's crashing that's dangerous!

The scientific theory I like best is  
that the rings of Saturn are  
composed entirely of lost airline  
luggage!

### A Prayer of Approach.

Holy Spirit of God,  
Open our eyes to see you at work  
in our world;  
open our ears to hear your cries in  
our world;  
open our hearts to understand  
your purpose for our world-that we  
might share your wisdom,  
receive your blessing, and  
transform the world.  
Amen.

### A Personal Prayer.

Holy Spirit,  
you know me through and through.  
Help me to know myself better-my  
strengths and my weaknesses;  
my gifts and my frailties;  
my passions and my prejudices-  
that I may better serve you and  
those around me, better pray for  
my church and my community,  
and better witness to your power  
and your glory.  
Amen.
